

GSA/FAS Contract Overview

Innovative Information Technology Products, Services, and Solutions
Contract # GS-35F-5192G and GS-35F-210DA

Integrio has several contract vehicles that allow federal agencies and the public sector to easily and efficiently purchase the products and services they need. We are on the GSA Schedule 70 and a contractor holder on several GWACs, IDIQs, and BPAs.

About the General Services Administration/ Federal Acquisition Schedule

IT Schedule 70 is the largest, most widely used acquisition vehicle in the federal government. Schedule 70 is an IDIQ multiple award schedule, providing direct access to products, services, and solutions from certified industry partners.

Contract Benefits

- Wide variety of products and services
- Contractor team arrangements allow collaboration
